The Very Thought of You

CROONERS

A celebration of timeless vocal artistry, where classic jazz, swing, and beloved standards are carried forward through Thomas Alexanderâ€™s heritage-rooted voice. Shaped by decades of performance and lived musical experience, the show offers audiences the elegance, warmth, and emotional truth of the great crooner tradition while bringing Thomasâ€™s own distinctive voice to every phrase.

Thomas Alexanderâ€™s artistry is shaped by his Black Indigenous, Copper Skin Creek, and Cherokee lineage, a heritage carried forward through generations and expressed through the emotional resonance of his voice. His interpretations of classic crooner and Platters repertoire honour memory, culture, and the living archive he represents as The Voice. As a cultural steward, Thomas brings forward a vocal tradition shaped by resilience, survival, and generational artistry.

Crooners invites audiences into a world of elegance, memory, and emotional depth. Every note is intentional. Every phrase is lived. The result is more than a collection of timeless songs: it is an intimate musical journey shaped by heritage, storytelling, and a lifetime devoted to the art of song.

SIGNATURE INTERPRETATIONS

Thomas Alexander approaches classic repertoire as an interpreter rather than an imitator, reshaping familiar songs through his own phrasing, musical instincts, and lived experience.

Stand by Me
A deeply soulful original interpretation with a particularly personal history. Thomas had the opportunity to meet Ben E. King and play him his arrangement of Stand by Me. Thomas remembers King saying that he loved the interpretation and had never thought of doing the song that way.

Just My Imagination
Thomas brings his own interpretation to this soul classic, allowing the song to live through his distinctive phrasing, emotional approach, and vocal identity rather than reproducing the familiar recording.

Together, these interpretations reflect a defining principle of Thomasâ€™s artistry: honour the song, honour those who made it timeless, and still find something within it that is unmistakably my own.

Testimonials

â€œI have worked with Thomas Alexander on numerous music projects for decades, and I deeply appreciate his talent and work ethic. Thomas is a gifted performer who is professional and engaging on stage. He has great vocal ability and a remarkable capacity for authentic style and lyric presentation. It is a pleasure to work with such an artist, who I believe is worthy of serious consideration and merit.â€☐

Charles Austin, ARCT, BMus, ME
Professor Emeritus, MacEwan University

â€œThomas Alexander brings a level of class and vocal mastery rarely heard today. His performance is polished, heartfelt, and unforgettable.â€☐

Lonnie H.

â€œThomas Alexander possesses the instincts of a true storyteller. He knows when to push a phrase, when to relax behind the beat, when to let a note breathe and when to deliver it with authority. The result is a performance that feels lived rather than manufactured.

His influences may range from Motown and jazz to the great soul singers, but he does not sound like an imitation of any of them. He sounds like Thomas Alexander.

Some performers impress you. Some entertain you. The truly exceptional ones make you feel that they are singing directly to you. Thomas is one of those performers.

And that is why the title â€˜The Voiceâ€™ is more than a nickname. It is an accurate description of an artist whose instrument has become inseparable from his identity.â€☐

Jan Randall
Peer Review

â€œThe distinguished gentleman with the golden voice. Letâ€™s go!â€☐

Darren Jordan

Theatre-Level

- **Alvin’s Jazz Club — Calgary, AB Theatre-level vocal performance featuring Golden Age soul, jazz standards, and cinematic crooner works.**

Heritage Vocalist

- **Five Feathers Lineage Society — Edmonton, AB Ceremonial vocal works, heritage storytelling, and lineage-rooted performances as Chief & Elder.**

Festival Category

These highlights demonstrate the breadth of Thomas’s performance history — from intimate rooms to theatre-level productions — and reinforce his standing as a heritage vocalist with cinematic delivery.

Technical Performance Format

Duo — Vocalist + Keys

A classic crooner configuration ideal for intimate rooms and soft-seat theatres. Clean, elegant, presenter-friendly

Trio — Vocalist + Keys + Bass

Adds warmth, depth, and rhythmic foundation. Perfect for jazz rooms, heritage venues, and small theatres.

Quartet — Vocalist + Keys + Bass + Drums

A full small-ensemble experience with cinematic swing, jazz articulation, and classic crooner energy.

Full Ensemble — Vocalist + Keys + Bass + Drums + Guitar / Horns / Background Vocals

A theatre-level production offering rich harmonic texture, expanded arrangements, and the full breadth of the Crooners repertoire. Ideal for festivals, large theatres, and gala events.

Short Bio

Thomas Alexander â€" The Voice â€" is a heritage vocalist, theatre-level artist, and storyteller whose career crosses jazz, soul, R&B, gospel, country, pop, and musical theatre. His artistry is grounded in decades of performance and in his Black Indigenous lineage, carrying Creek, Cherokee, and Yamassee roots forward through music.

A Rare Classic Vocal Interpreter, Thomas brings warmth, authority, storytelling, and lived musical experience to every performance. Rather than imitate the legendary singers who shaped this repertoire, he honours their artistry while bringing his own distinctive voice to the song.
